- 1 box bow tie pasta
- 1 bag coleslaw mix (I use only about half)
- 1 red pepper, diced
- 1 cucumber, diced
- 4-5 green onions, finely chopped
- 2 cups Miracle Whip salad dressing
- 1 cup sugar
- ¼ cup white vinegar
- Salt and pepper, to taste

Cook pasta according to directions until tender, yet firm. Quickly rinse with cool water to prevent further cooking, drain completely.

Gently mix in coleslaw, pepper, cucumber and onions.

In a separate bowl, mix salad dressing, sugar, vinegar and salt and pepper to taste. Pour the salad dressing mixture over the pasta mixture, gently toss to evenly coat.

Refrigerate for a couple hours or overnight before serving.
