

Peanut Brittle

1½ Cups Salted Cocktail Peanuts
½ Cup White Corn Syrup
1 Tbsp. Margarine
1 Cup Sugar
1 tsp. Vanilla
1 tsp. Soda

Place sugar and syrup in 1½ - 2 qt. bowl and microwave on full power for 5 minutes. Stir in peanuts. Cook and additional 2 minutes. Add butter and cook for 1 – 1¼ minutes. *Add vanilla and stir in soda very fast. Pour onto buttered cookie sheet. *When you add soda, you have to work very, very fast – it is better if you have a second person spread ingredients over buttered cookie sheet with a buttered spatula while you pour.
