

## Oreo Fluff

2 cups milk  
3.4 oz. package vanilla pudding mix  
8 oz. frozen whipped topping, thawed  
1 packed Oreo cookies, crushed (regular or double stuffed)

Place about 25 cookies in a zipper bag and crush making sure crumbles are not too fine. Set aside.

Whisk milk and pudding mix together in a bowl until well mixed. Fold in whipped topping. Mix in cookies crumbles.

Chill for at least 1 hour.

Before serving, place remaining cookies (about 4) on top for decoration.

Suggestion: Place one Oreo cookie in the center, then break the others in half and place around the center cookie.
